OUR WORK

Hear From Our Customers

"I was absolutely blown away by just how far above and beyond HWD would go to help us, not only with pricing and information, but with requests and problem solving too. It was all so easy and stress free"

- CUSTODIAN KITCHEN

"We are very happy with the solution being provided, and now we are working together again on our next upcoming project."

- SLICES GROUP

"It was the details they picked up that we overlooked that has immensely increased productivity in the restaurant. HWD also helped coordinate installation of equipment alongside with our builder and designer to ensure things went smooth. We can't wait to get them on board with future projects in the pipeline"

- INFINITE WASABI

"We approached HWD because the company's Project division was recommended to us. HWD helped us by fitting a flowing operational kitchen and bar. The final result for our restaurant was much better than we expected."
